

Omima Khaled Ghanem

Frontend Developer | Angular

📍 Alexandria, Egypt ✉ omima.khaled.330@gmail.com ☎ +201064490256 🔗 LinkedIn

🐙 GitHub 🔗 Portfolio

PROFILE

Frontend Developer with +2 years of experience specializing in Angular as a primary framework, complemented by React.js as a secondary framework. Expertise in building responsive, user-centric web applications and seamlessly integrating with backend systems through APIs. Proficient in converting complex designs into interactive, high-performance interfaces.

Experienced in working within Agile teams, collaborating closely with designers and backend developers to deliver scalable solutions. Adept at problem-solving, with expertise in modern development tools. Passionate about continuous learning and staying updated with the latest industry trends.
